

Kiwanis, Firemen Win Title Playoffs

Scoring a single unearned run in the ninth inning, the Fire Department A nine scored a 1-0 extra inning victory over the Local 1135 team and won the Black League title in the first of two playoffs in the city softball loops. Tuesday evening the Torrance Kiwanis, who tied the Optimist Club in the final game of the season came from behind to defeat the Optimists, 7-5 and get grabs on the Service title.

The city loops now go into the playoffs with the first games set for Tuesday night, Aug. 25.

Monday evening on the Torrance Park diamond the Fire Department pushed across one run in the top half of the ninth frame to win the Black League title, 1-0. The run was unearned, sending Wes Christian to third on what should have been a routine fly ball to the Local 1135 left fielder. A looping single off the bat of Fred Becker scored Christian with the winning run.

The big difference in the game proved to five miscues on the part of the union men. The Fire Department also had a duo of fielding mistakes.

Winner Bill Stonecks scattered four hits to the Union, fanned only one and issued one walk. Loser Bob Guerra allowed five hits, walked one and failed to strike out any batters.

Line score:
Fire Dept. A. 000 000 001-1 5 2
Local 1135 . . . 000 000 000-0 4 5

After picking up a 5-3 lead in the fifth frame, the Torrance Optimist fell behind the score in the sixth and finally lost the game and a Service League crown to the Kiwanis Clubbers.

Jay Barrington was credited with the win, scattering seven hits in the game giving up only one base on balls. He fanned one. Cliff Graybhel picked up the loss, walking one and issuing seven hits.

The Optimist led going into the third inning, 3-0 but lost that lead when the centerfielder missed a fly ball to the outfield and the hit went for a

SCMAF Tourney Gets Underway Friday Night

The second annual Southern California Municipal Athletic Federation slo-pitch softball tournament will get under way at Torrance tomorrow evening at 7:30 p.m. Sixteen teams from the southern California area will participate in the event.

New, Modern Missile Bowl Opens Friday

Larry Ex, general manager of the new Missile Bowl, 1280 Redondo Beach Blvd. at Normandie in Gardena, has announced that the ultra-modern bowling center will be open for business tomorrow evening at 6 p.m. The new center is opening after a delay in construction postponed an earlier opening date.

A.M.F. pinspotters and the new magic circle ball return will service all 24 lanes of the plush new establishment.

Tanner, Lee in Battle for Lead At Ascot Oval

Sammy (The Flying Flea) Tanner, who obliterated the track record by an amazing five seconds last week, goes after Troy Lee's season lead when the motorcycles clash at Ascot Stadium Friday night.

First race on the 12-event menu is carded for 8:30, with time trials getting under way at 7.

TANNER, the 5-5, 116-pound jockey from Houston, knocked more than five records off the 15-lap Ascot record last week. In cycle ranks, this is something akin to Herb Elliott's 3:54.5 mile record.

Sammy's victory put him only a few points behind leader Lee. Another big showing and he will have regained the top spot.

THE "FLYING Flea" has a busy weekend in store for himself. Following the Ascot chase he flies out via jet for Springfield, Ill., and the National Championship race there Sunday.

Tanner is well up in the U.S. standings and is a strong threat for the crown as well.

LEE, DON Hawley, Dick Terhune, Ronnie Gould, Lowell

Becker and Gary Sowell will be among those trying to flag down the flying Tanner.

Tony Hoover, Dick Hammer and Bob Kircher figure in a three-way chase for top Class B money.
